SPEAK LIKE A LOCAL

Hebrew International offers college graduates from around the world an intensive 5-month Hebrew learning program. The program allows you to explore Israel independently and take advantage of your time outside the classroom. The Hebrew International tuition is \$5,900. Masa Israel Journey grants every eligible young adult aged 21-30 a \$3,000 scholarship to reduce the program's cost. In addition, you can apply for an additional needs-based scholarship.

This is the ultimate opportunity to truly immerse yourself in Israel with trips around the country, social activities, seminars about Israeli society, employment workshops, and much more. Classes are conducted at Ulpan Etzion, the very first Ulpan in Israel, which has served as the model for The Jewish Agency for Israel's highly successful Hebrew-language courses throughout the country. At the end of the course, you will receive an official Hebrew Level Certification of Completion, which is honored by the Israeli Ministry of Education.
